MARYVILLE, MISSOURI, FRIDAY, JULY 3, 1914.

NO. 26.

COUNCIL TO-NIGHT

REGULAR MONTHLY MEETING TO BE BUSY ONE.

SIGNS TO STAY UP?

Aldermen Favor Repeal of Old Ordinance—Viles' Appointment Another Question—Other Matters.

The day of the regular monthly meeting of the city council is here again, and the Mayor and the Board of Aldermen probably will be kept busy to-night disposing of the various matters that will come up.

The question of the appointment of a night watchman will be dealt with again, but it is not now apparent what solution of the case will be reached. The Mayor probably will reappoint Steve Viles.

It is also practically assured that the Board will either amend the old ordinance or pass a new one making it permissible for the business men to put up any number and any kind of a sign they want to on the front of their buildings. At present there is an ordinance prohibiting overhead signs to extend more than three feet from the front of the building, but it is not being enforced. Mayor Wright is in favor of having the signs come down and clearing the streets of these obstructions, but if that cannot be done he wants the ordinance changed so that the business men will not be violating it as they are now.

The councilmen are in favor of a law that will permit these overhead signs to stay up. They take the view that it is a good advertising scheme for the merchants, that it gives Maryville a more progressive and metropolitan appearance and that it helps to light the streets at night.

The council will also consider a new method of financing the city cemetery so that it will be kept in better condition. The plan provides for a regular salary to be paid to the sexton and for all fees to be paid into the city treasury.

The question of grading and gravel-streets wherever the property owners put in curbing and a gutter probably will be discussed together with a number of minor matters.

FOUNTAIN FOR THE LIBRARY.

Board Also Orders New Books, Which Will Arrive in About Two Weeks Monthly Report.

The Carnegie library board last night decided to buy a drinking fountain for the library. It will be of the wall type and will be placed in the children's reading room.

The board also made an order for the purchase of new books, which the librarian, Miss Langan, will send for at once. The order will include fifteen works of fiction and fifteen juvenile books. They will arrive in about two weeks.

The monthly report given at last night's meeting shows that the total number of books and magazines lent in June was 1,170, an average of 45 a day. There were 1,714 readers in the rooms during the month, or a daily average of 57. Twenty-six readers' cards were issued and the collections amounted to \$9.95.

Loses Ninety Acres of Wheat.

Arthur Gray, who lives west of Barnard, lost nearly all of his wheat this year. He had 100 acres of the grain, but when he went to cut it he found that only twelve acres were worth harvesting. The rest, he said, would not make more than two and one-half bushels to the acre.

Delegates to Convention.

Miss Helen Burris, Miss Eva Davis and J. W. Davis are at Kansas City attending the general meeting of the Young People's Union, being at city this week. Rev. Lewis, pastor of the First Baptist is also attending the convention.

CITY NEWS STAND

WILL CLOSE TO-MORROW NOON, JULY 4 AND STAY CLOSED UNTIL SUNDAY.

REV. TOM MIDDLETON AT TARKIO.

Former Maryville Man to Be Tarkio's Principal Speaker of Fourth.

Rev. Thomas C. Middleton of Unionville, Mo., formerly of this city, will be the principal speaker at the Tarkio Fourth of July celebration. Rev. Middleton has recently returned from a year's study in Germany. As a speaker he is decidedly popular with everyone.

On Saturday afternoon there will be a ball game between the Maryville Giants and Tarkio teams on the college athletic field, and many from this city are expecting to attend.

TO SIOUX CITY RACES.

Three Car Loads of Persons Motor to Iowa Town to Celebrate the Fourth.

Three car loads of Maryville persons left this morning for Sioux City, Ia., to attend the automobile races there tomorrow.

John Sewell motored with his family to Omaha, where they will visit relatives. Mr. Sewell will go on to Sioux City. Kyle Phares, Dr. E. C. Branigan, Carl Murray and Leo Atherton in the Phares car, and E. E. Williams, Dr. Frank Wallis and James Todd in the Williams car were the other parties who went to Sioux City.

P. O. ORDERS LIKE CHECKS.

They Are Now Payable At Any Post-office Within Thirty Days of Issuance.

Under a new plan, effective July 1, a money order can be cashed at any postoffice in the United States if presented within thirty days after issuance. After that time it must be cashed at the office to which it is directed, as is done now.

For instance, if a mercantile company of this city sends its traveling salesman a money order for expenses, he will not be troubled any more if he misses the letter at the office on which the money order was bought. The letter will be forwarded after him and when he does get it he can take the money order to any postoffice where he can establish his identity and get his money. In that respect it becomes a traveler's check.

Also money orders can now be used by people going on journeys. A man might buy money orders payable to himself which he could cash at his convenience at various points on his journey.

W. N. Collins, superintendent of the money order division at the postoffice, expects the increase of money order sales as a result of the new plan to be about 5 per cent.

CITIES LAUGH AT ABNER JONES.

But Personal Gossip in Country Papers is, After All, More News Than in Big Dailies.

The Grand Rapids News laughs at the custom in the past to poke much fun at the country newspapers for mentioning such important news items as the fact that Abner Jones has painted his barn; that Miss Angelica Botts has gone to the city to look at the spring millinery. Big papers have snorted loudly every time little papers have mentioned the fact that a meeting of the sewing circle was held at the home of Mrs. Lafe Perkins.

Yet one might pick up any New York paper and have a lot more fun reading the "real" news of the day as it is published. The other day Lord Decies, who was traveling in California, lost his handbag containing his comb and brush, and he was forced to use his wife's toilet articles. This intimate little family incident was telegraphed over the land and the big papers played it up on the first page. The other night Miss Eleanor Wilson, daughter of the president, went over to the theater without first having had her dinner. She sat in the shadow in the box and ate a bun. This was a big item of news and the big papers treated it as such.

When Arthur Jones painted his barn it meant more to him and his neighbors than the loss of a hundred combs and brushes; and when Mrs. Lafe Perkins entertained the sewing circle it meant more to her and to the community of Poker Center than all the theater parties Eleanor Wilson ever attended. The value of news depends entirely upon the point of view. The little community paper contains more real news of interest to its readers than do all the big newspapers in the country combined and rolled into one.—University Missourian.

Wife Appointed Administratrix.

Mrs. Eliza J. Kinman was appointed administratrix of the estate of her husband, J. R. Kinman, who died June 21, 1914.

Dr. and Mrs. Charles Jackson and Miss Elise Jackson went to St. Joseph Friday morning to spend the day.

952 CARS HERE

THAT WAS THE OFFICIAL NUMBER IN COUNTY JULY 1.

NODAWAY IN 5TH PLACE

Kansas City Men Comment On Quality and Number of Automobiles Seen On Maryville Streets.

Nodaway county is the fifth county in the state in number of automobiles, taking Kansas City as a part of Jackson county. If Jackson county is taken separate from Kansas City, then Nodaway is fourth. This county has 952 cars, according to the report of Secretary of State Roach, Wednesday, July 1. The average number of cars in the counties is about 250.

St. Louis county, with St. Louis; Jackson county, with Kansas City; Jasper county, with Joplin and Carthage; and Buchanan county, with St. Joseph, are the only ones ahead of Nodaway county and Maryville.

The sales of cars here have been rapidly increasing in the last two years, but probably it has not been realized that the county stood quite so near the head of the list. Maryville itself has a large number of cars, but it is the farmers of the county who have brought the number to such a high total.

Charles D. Tillo, a Kansas City business man, was in Maryville today and said: "Don't you know, I have seen more high class cars standing around the court house square here this morning than I've seen in any town of comparative size in the country."

Just the other evening a traveling salesman sitting in front of the Linville hotel remarked that he would rather cross the streets of Kansas City than to cross the business streets of Maryville on a busy day or any evening. Few streets there, he said, were more crowded with cars than those here, and at the crowded corners in Kansas City there was the protection of the traffic policeman.

Secretary Roach's report showing the condition of the automobile business in the state up until July 1 gives the following facts:

This year he has registered 46,143 automobiles, 2,920 motorcycles, and has issued licenses to 5,205 chauffeurs and 849 automobile dealers.

St. Louis leads with 10,680 automobiles, Kansas City, exclusive of Jackson county, has 5,797, with 776 in the rural district of the county.

The counties having the largest number of machines are Jasper, with 1,465; Buchanan, 1,331, and St. Louis county, with 1,306. Four counties, Carter, Douglas, Ozark and Reynolds, have no automobiles registered.

Two each are registered from Shannon and Taney counties, four from Camden and seven from Iron.

The total amount of money collected from this source to date and converted into the good roads fund is \$201,866.50.

Among the licensed chauffeurs are two men over 70 years of age. One of these is William J. Beal, 71 years old, of Fillmore, Andrew county, and William J. Duncan, 72, of Livonia, Putnam county.

Until very recently the number of machines in St. Louis and Kansas City have been practically 50 per cent of the registrations. The registrations for 1914 indicate that a great majority of the new automobiles in Missouri this year are going to the smaller towns and cities and to the farmers.

Shackelfords to Tarkio.

Mr. and Mrs. Alfred Shackelford and daughter, Cleo, and their guest, Miss Velma Smith of Kansas City, will motor to Tarkio Saturday to spend the day. Misses Shackelford and Smith will remain at Tarkio for a week's visit with friends.

Guests to Arrive.

Mr. and Mrs. Jack Wade of Kansas City will arrive in Maryville Friday night to visit until Monday with Mr. and Mrs. Charles Gaugh and family.

WHITEFORD TALKS

TELLS NORMAL STUDENTS THEY MUST KNOW PEOPLE.

"LET CHILDREN LAUGH"

St. Joseph Superintendent Discusses Some Things Necessary to the Successful Teacher.

"To teach successfully," said Superintendent J. A. Whiteford of the St. Joseph public schools, "you must know people."

Then he went on to say that many things are requisite to good teaching, among them scholarship. The imminent danger of scholarship, however, is that the educational side of the profession is very easily overdone, and when that phase is unduly emphasized our worst type of teaching results. The essential thing, after all, is the power to "know" people and to know, feel and think with the boys and girls to be taught.

"The fact must be emphasized," said Mr. Whiteford, "that the teacher's work is not entirely in the school room. She must take a prominent part in the social side of the community in which she lives, and as far as possible become intimate with the lives of the pupils whom she teaches."

He further said that the intonation of the voice in the classroom was a factor which is not to be overlooked, as each pupil is a separate problem and must be treated accordingly. The kind of language used by the teacher is another factor, the importance of which could hardly be overestimated. "Do not restrict the wholesome fun of the children," he added. "Let them laugh frequently, and make the school room as much of a social center as possible. Keep in mind, too, that the right sort of story telling has a great influence on the children."

"These things, if kept in mind, will not only raise you in your profession but will also raise the profession to the high plane where ideally it should be."

FOURTH OF JULY PROGRAMS.

Maryville Men Will Speak at Conception Junction, Parnell and Clearmont Tomorrow.

Most of the program for the Fourth of July celebration at Conception Junction will take place in the afternoon and evening. There will be an automobile parade in the morning. The Maryville band will furnish the music for the day. In the afternoon John Dawson and Ellis G. Cook of Maryville and Dan R. Baker of Skidmore will make speeches. There will also be a game of ball between Conception Junction and Guilford. In the evening there will be races, music, a wrestling and a boxing match.

In the morning Mr. Cook and Mr. Baker will deliver addresses at the Parnell celebration. The afternoon program at Parnell will be given over largely to a patriotic service, music, readings and an address by the Rev. W. E. Tinney. There will be amusements later in the day, and the evening program will consist of a band concert and free motion pictures.

The Clearmont celebration will begin at 9 a. m. A parade to the grounds, band concert and address by the Rev. N. E. Bottom will take up the morning. At 1:30 o'clock W. A. Blagg of Maryville will deliver an address, and the rest of the afternoon will be given over to horse races, a base ball game, drills and concerts. A fireworks display will make up the evening program.

Marriage Licenses.

Marriage licenses were granted today to Roy E. Deshaizer of Bonilla, S. D., and Edna Vera King of Shaw, Kan., and to Glen D. Eckles of Graham and Mary M. Blazer of Maitland. In the latter case Miss Blazer is under age and her father gave his consent.

To Visit the Garrett Family.

D. T. Foster of Agency, Ia., arrived in Maryville Friday to visit his daughter, Mrs. Oliver Garrett, and family.

No Paper July 4th.

There will be no edition of the Democrat-Forum on July 4, and the office will be closed during the day.

C. E. SERVICE NEXT WEEK.

Sunrise Meetings to Be Held Monday, Wednesday and Saturday.

The Christian Endeavor society of the First Christian church has inaugurated a "loyalty meet," to be held the coming week. This special effort to create new interest is arranged for the reason that the society expects to take an August vacation and wishes the July meetings to be extra fine.

Monday morning the meeting will be held at 6 o'clock with Ed Gray leader. The subject will be "The Message of the Manger," from the text "There is born to you a Savior."

Wednesday morning a sunrise service at 6 o'clock will be led by Miss Myrtle McPherron, on the subject, "The Challenge of the Cross," from the text "Christ died for our sins."

On Saturday morning at 6 o'clock the leader will be the pastor, Rev. Robert L. Finch, and the subject will be "The Victory of the Open Tomb," from the text "He is risen." Each of these services will be about thirty minutes duration.

CITY TO BE QUIET

CELEBRATORS ARE LEAVING FOR OTHER TOWNS.

LEAGUE SEASON OPENS

Brotherhood Will Play Normal—Pirates vs. Company F at Normal Grounds Tomorrow Afternoon.

Maryville will open her city league base ball season at the Normal grounds tomorrow afternoon with a double header between the Brotherhood and the Normal, the Pirates and Company F. Otherwise the city will have nothing in the way of a Fourth of July celebration.

The persons who want to attend a celebration are going to the different towns nearby, where the day is to be observed. Those who remain in Maryville are, for the most part, going to rest. A few picnic lunches and the ball game will be the only activities. Some of the business houses are going to remain open for the accommodation of persons who may want to trade, but most of them will be closed, as will all the county and city offices.

The ball games will be looked forward to with much interest by many persons, as their outcome will have much to do with the success of the season. The organizers of the league have had some trouble in getting it started, but believe that they can now give the city a better class of ball than it has had for some time. In order to even up the teams so that the games will be closer and more interesting, some of the Normal players are being used to strengthen the Brotherhood team. The first game tomorrow will be between the Normal and Brotherhood and will be followed immediately by the Company F-Pirate game.

The probable line-up of the teams for tomorrow's games will be:

Brotherhood—Miller, c.; James, p.; Eek, ss.; Emmett Scott, 1b; W. Miller, 2b; Wray, 3b; Paul Wilson, Crawford, Gray, Vandersloot and Keeler, fielders. Normal—Dyer, c.; Vaughn, p.; Campbell, 3b; Hosman, r. f.; Breit, c. f.; Webb, ss.; Allison, 1b; Powell, l. f.; Lewis, Judy and Gillis, utility men. Company F—Wogan, c.; Richards, p.; Rissler, 1b; Mayes, 2b; Still, 3b; Keegin, ss.; Conklin, Bramble, Skinner and Ewing, outfielders.

Pirates—Wiles, c.; V. Conley, p.; Tilson, 1b; Bluell, 2b; Homer Scott, ss.; F. Conley, 3b; Miller, l. f.; Crawford, c. f.; Woodward, r. f.

DR. MILLER TO NATIONAL MEET.

Will Represent State Examining Board at Rochester Convention.

Dr. Jesse Miller will leave Friday night for Rochester, N. Y., to attend the annual meeting of the National Dental association.

Dr. Miller is a member of the Missouri state board of dental examiners and goes as a state delegate.

Will of T. G. Freeman Probated.

The will of the late T. G. Freeman was probated today. He left his entire real and personal property to his wife, who was appointed executrix of the estate.

To Spend Saturday at Conception.

Miss Maude Sheldon will spend the Fourth at Conception, the guest of Miss Elizabeth Simoneig.

"OUTSIDERS" and OURSELVES.

Maryville threatens to do away with the band concerts if the visitors do not "keep off the grass" in the court house yard. Maryville does not kick on the "outsiders" helping pay for a rest room for that town but they want them to keep off the grass when they visit "their city cousins."—Hopkins Journal.

The Journal has taken the wrong attitude in this matter. Maryville is not kicking against the "outsiders"—whom Maryville regards as Nodaway people and consequently home people—any more than she is against the residents of Maryville. The only reason that an order was made keeping people off the grass is that it is all new sod and has not become firmly rooted. It is to give the grass a chance that persons are asked to keep off it, Maryville citizens as much as anybody else. In fact, a former mayor of Maryville was ordered off the grass the other day in the presence of several men. He was standing about six inches away from the sidewalk talking to some men who were sitting on one of the iron benches, when an officer saw him and told him he must get back on the walk.

Like the court yard, the rest rooms belong to the county as a whole, and not to Maryville. Maryville people and "outsiders" are helping to pay for both. The clubwomen of Maryville are bearing a large part of the expense of the rest rooms.

If there is any difference in the use of the two things it is this: Maryville people get more use out of the court yard than the other people of the county do, but the rest rooms will be used almost entirely by "outsiders." That is who they are being built for, for the Maryville people can go to their homes if they want to rest.

Rebekah Lodge Meeting.

At the regular meeting of the Rebekah lodge Friday night there will be installation of officers for the ensuing six months. After the installation refreshments will be served and a good attendance is desired.

In Honor of Mrs. Alexander.

Mrs. Rodney F. Hamblen has issued invitations to guests for Wednesday afternoon, July 3, at the Elks' club, to meet Mrs. Blake Alexander of Bushnell, Ill. One hundred and seventy-five guests have been bidden.

Mrs. Lucas Entertains Club.

Mrs. George Lucas was hostess Thursday afternoon to the Needle and Thimble club, whose members were very pleasantly entertained at her home. The hours were spent informally and a delicious lunch was served by Mrs. Lucas, assisted by her daughter, Alma. Mrs. M. J. Wilson, a sister of the hostess, was a complimentary guest.

Picnic Luncheon For St. Joseph Guests.

Mr. and Mrs. J. W. Peterson and daughters, Ethel and Mildred, and son, Harold, of St. Joseph, will be the guests of Mr. and Mrs. S. G. Gilliam Saturday, and in honor of their guests and Dr. and Mrs. Cronkite and family of St. Joseph, who are to be the guests of Mr. and Mrs. C. C. Corwin, a picnic luncheon at Normal park has been arranged for Saturday.

Three Ms Entertained.

The M. M. M. club was pleasantly entertained Wednesday afternoon by Mrs. M. A. Nicholas, at her home, north of the city. The entertainment of the afternoon was suggestive of July Fourth, and roll call was answered with patriotic stories. National hymns were sung by the members and Miss Mildred Nicholas gave some delightful piano numbers. In serving luncheon, Mrs. Nicholas was assisted by her daughters, Besse and Mildred. Those present were Mrs. M. E. Farrar, Mrs. W. T. Ramsay, Mrs. C. J. Eckert, Mrs. W. O. Garrett, Mrs. George Stafford, Misses Mae and Eva Farrar and Mrs. Nicholas and daughters.

Charming Musical by St. Joseph Girl.

Mr. and Mrs. E. L. Ferritor entertained a few guests at a musical Thursday evening who were invited to meet their niece, Miss Martha McIntyre of St. Joseph, a singer of great ability, who gave the program. Miss McIntyre is soloist at the First Baptist church of St. Joseph, and is busily engaged with her studies preparatory to a study abroad with a view to a grand opera career. Miss McIntyre has a brilliant voice, and the guests of Thursday evening were given a rare treat in the music. Among the out-of-town guests were Miss Nina Merrigan, Miss Mabel Merrigan and Roy Cousins of Conception and Mrs. A. C. Hallam of Dallas, Texas.

Society Enjoys Meeting.

The July meeting of the Women's Foreign Missionary society of the First Methodist church held Thursday afternoon at the home of Mrs. C. C. Corwin, was one of unusual interest. Miss Kate Moss of Kansas City, a returned Missionary worker from Bulgaria, made an address which was very much enjoyed and appreciated by the society. The session was presided over by Mrs. O. C. Hanna, president. The devotions were conducted by Mrs. A. Kern, and the mystery box was in charge of the pastor, Rev. Gilbert S. Cox. Following the program, refreshments were served by the hostesses of the afternoon, Mrs. Corwin, Mrs. J. T. Linville, Mrs. Katherine Miller, Mrs. C. F. Remus and Mrs. J. L. Loran. The annual picnic of the society will be

Smart Reception For Mrs. Coe.

Mrs. Anderson Craig received from 2 to 5 o'clock Thursday afternoon, the guests being asked to meet her daughter, Mrs. Curtis Hammond Coe. Evening Rest, the Craig home, at the end of East Lawn avenue, was ablaze with brilliant color, flags, and red, white and blue being used to give expression to the spirit of the season. Receiving with Mrs. Craig and the guest of honor were Mrs. Edward Grimm of Tarkio, Mrs. Ray Curtis of Billings, Mont., and Miss Inez Gray of Tarkio, who were house guests of the Craigs. An immense flag was draped at the entrance, where the guests were greeted by little Miss Mary Edna Coe and Master Curtis Craig Coe, the young children of Dr. and Mrs. Coe. The spacious veranda and all the rooms of the home were adorned with flags and tri-colored bunting with summer garden flowers to give fragrance. Punch was served from a table draped with flags, and in the dining room the decorative colors were used with charming effect. The table was centered with a tall cut glass vase holding a huge cluster of red and white carnations. The menu appointments were entirely carried out in red, white and blue. A victrola program, given during the receiving hours, added to the pleasure of the afternoon. The assisting friends were Mrs. Gallatin Craig, Mrs. J. R. Brink, Mrs. T. L. Wilderman, Mrs. M. G. Tate, Mrs. George B. Baker, Mrs. H. L. Raines, Mrs. Ray Smith, Mrs. Joseph Brown of Kansas City, Mrs. Per-

dinand Townsend, Mrs. Ed G. Orear, Mrs. D. J. Thomas, Mrs. E. L. Harrington, Mrs. G. B. Roseberry, Mrs. A. K. Frank, Mrs. Dale Bellows, Mrs. Bruce Montgomery, Mrs. Florian Gex, Miss Inez Gray of Tarkio, Miss Helen Burris, Miss Eva Rittenour, Miss Hazel Everhart, Miss Jeanette Tate, Miss Marie Brink, Miss Julia Tate, Miss Laura Craig, Miss Carrie Margaret Baker, Miss Elise Jackson, Miss Susie Ellison, Miss Clara Sturm and Miss Grace Sturm. Mrs. Coe has been given a very cordial welcome on her return to the home social circle. She and her family are at home now at Evening Rest.

Mrs. Neverthrough Learns a Lesson

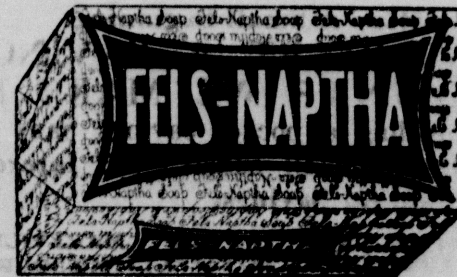

Mrs. Neverthrough—"Mercy! My fire's nearly out. Just come in, Anty Drudge. Sit down, and excuse me for a minute while I run down and get some coal. It seems to me that I can't keep enough coal upstairs, the fire needs so much on washdays. I'm tired with running up and down."

Anty Drudge—"Dear me! I wonder how many women there are like you, wearing out their lives doing unnecessary things? You don't need coal for a hot fire if you wash with Fels-Naptha Soap. Try it and see how much easier washdays will be after this."

do half the heavy work that many of them are doing. There is no necessity for doing it, either.

For instance, on washday there is no need to stand all day long over a steaming tubful of wet clothes, rubbing out the dirt on a washboard, or lifting a heavy boiler to and from the stove. Instead, put the clothes to soak in cool water with Fels-Naptha Soap. After they have soaked a while rub them lightly. The dirt will roll out.

Fels-Naptha Soap takes out stains of all kinds. It dissolves grease, and brightens up everything. Works best in cool or lukewarm water.

Epworth League Will Hold Unusual Service and Debate Sunday Night.

Sunday night at 7 o'clock the Epworth League of the First Methodist church will hold an unusually interesting service, and an added novelty will be a debate on the question, "Resolved, that past memories are more inspiring than future possibilities."

This question is based on the general subject of the hour, "Memorial Stones—National and Individual." The affirmative of the question will be taken by Virgil Hartness and James Carpenter and the negative by Jesse Strader and Miss Nellie Wray. The leader of the meeting will be Clinton White, and other interesting program numbers will be given.

Sun and Wind Bring Out Ugly Spots—How to Remove Easily.

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

WEALTH OF HAIR

Parisian Sage Makes Thin, Lifeless Hair Soft and Abundant.

Beautiful hair, thick, soft, fluffy, lustrous, and free from dandruff, is one of woman's greatest charms, yet so many have streaked, thin and lifeless hair and think there is no remedy. Pretty hair is largely a matter of care.

Frequent applications of Parisian Sage well rubbed into the scalp is all that is needed—it acts like magic. Try it tonight—you will really be surprised with the result. Not only will the hair become soft, fluffy, radiant with life and really doubly beautiful, but all dandruff disappears, falling hair and itching scalp cease—your head feels fine.

All druggists sell a large bottle of Parisian Sage for fifty cents. Get it from T. J. Parle. He will refund the money if you are not satisfied.

OUR PLACE AMONG NATIONS.

Statistical Abstract For 1913 Gives Birdseye View of World Conditions.

In the basic elements of economic progress the United States ranks high among the nations of the world, being one of the five countries only which have an area in excess of three million square miles, and the only nation of the western world (except Russia) having a population of over one hundred million. In the interchange of products among its own people it leads the world, its home trade at the present time being estimated at nearly forty billion dollars, or equal to the international exchanges of the world and approximately ten times the value of our own foreign trade now valued at four billion dollars.

That our present foreign trade is far short of the immediate possibilities of the nation is evident from a consideration of its area, commerce, and other economic factors in comparison with that of other leading countries, as set forth in comparative tables published in the "Statistical Abstract of the United States, 1913," compiled by the bureau of foreign and domestic commerce, department of commerce. Thus the present export trade of the United States (two and a half billion dollars) represents about \$25 per capita. A per capita basis equal to that of Argentina would raise the export power of the United States to five billion dollars; and one equal to that of Belgium would bring its exports to ten billion dollars a year; while our aggregate foreign trade, when upon a per capita basis as large as that of Canada would be considerably over thirteen billion dollars a year.

Other comparative tables in the "Statistical Abstract" further emphasize the commercial power of the United States and its strong international position. In railway mileage, for example, we possess one-third of the world's total, our 258,000 miles being ten times as much as the mileage of the United States and six times that of Germany. One company alone has 238,000 miles of telegraph lines, or double the total in Russia, next in order. More than one-third of the world's mail service is performed upon routes located in the United States, while our public debt of one billion dollars is smaller than that of Italy, Austria-Hungary, Spain, Germany, Australia, Japan, British India, or Great Britain, and is less than one-sixth that of France, and one-fourth that of Russia.

Temporary recessions have frequently marked the course of American commerce, but the tendency, according to historical tables published in the "Statistical Abstract," is ever higher. In eleven years, from 1890 to 1901, our foreign trade grew from one and a half billion to two and one-quarter billion dollars, an increase of 50 per cent, while in the eleven years from 1902 to 1913 it increased from two and one-quarter to four and one-quarter billion dollars, a gain of 90 per cent.

The foundations of this growth are laid deep in the soil and natural resources of our country and in the character of our people. Thus the American Union, from thirteen states having 325,000 square miles and one million people, has expanded to forty-eight states and the territories of Alaska, Porto Rico and Hawaii, with an area of two and 3,666,666 square miles and 100,000,000 people. In the period since 1870 the value of our farm products has risen from two billion to about ten billion dollars a year; the output of coal from less than thirty to nearly five hundred million long tons; copper from twelve and one-half thousand to over one-half million tons; pig iron from two to thirty-one million tons; petroleum from two hundred and twenty-one million to nine and one-quarter billion gallons, and manufactures from four billion to over twenty billion dollars.

Data relating to education, labor, finance, prices and other facts affecting the economic life of the people are also contained in the "Statistical Abstract of the United States, 1913," which may be procured from the superintendent of documents, government printing office, Washington, D. C., for 50 cents a copy.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c.

COUNCIL TO-NIGHT

REGULAR MONTHLY MEETING TO BE BUSY ONE.

SIGNS TO STAY UP?

Aldermen Favor Repeal of Old Ordinance—Viles' Appointment Another Question—Other Matters.

The day of the regular monthly meeting of the city council is here again, and the Mayor and the Board of Aldermen probably will be kept busy tonight disposing of the various matters that will come up.

The question of the appointment of a night watchman will have to be dealt with again, but it is not now apparent what solution of the case will be reached. The Mayor probably will reappoint Steve Viles.

It is also practically assured that the Board will either amend the old ordinance or pass a new one making it permissible for the business men to put up any number and any kind of a sign they want to on the front of their buildings. At present there is an ordinance prohibiting overhead signs to extend more than three feet from the front of the building, but it is not being enforced. Mayor Wright is in favor of having the signs come down and clearing the streets of these obstructions, but if that cannot be done he wants the ordinance changed so that the business men will not be violating it as they are now.

The councilmen are in favor of a law that will permit these overhead signs to stay up. They take the view that it is a good advertising scheme for the merchants, that it gives Maryville a more progressive and metropolitan appearance and that it helps to light the streets at night.

The council will also consider a new method of financing the city cemetery so that it will be kept in better condition. The plan provides for a regular salary to be paid to the sexton and for all fees to be paid into the city treasury.

The question of grading and gravel-streets wherever the property owners put in curbing and a gutter probably will be discussed together with a number of minor matters.

FOUNTAIN FOR THE LIBRARY.

Board Also Orders New Books, Which Will Arrive In About Two Weeks Monthly Report.

The Carnegie library board last night decided to buy a drinking fountain for the library. It will be of the wall type and will be placed in the children's reading room.

The board also made an order for the purchase of new books, which the librarian, Miss Langan, will send for at once. The order will include fifteen works of fiction and fifteen juvenile books. They will arrive in about two weeks.

The monthly report given at last night's meeting shows that the total number of books and magazines lent in June was 1,170, an average of 45 a day. There were 1,714 readers in the rooms during the month, or a daily average of 57. Twenty-six readers' cards were issued and the collections amounted to \$9.95.

Loses Ninety Acres of Wheat.

Arthur Gray, who lives west of Barnard, lost nearly all of his wheat this year. He had 100 acres of the grain, but when he went to cut it he found that only twelve acres were worth harvesting. The rest, he said, would not make more than two and one-half bushels to the acre.

Delegates to Convention.

Miss Helen Burris, Miss Eva Davis and J. Davis are at Kansas City at the general meeting of the Young People's Union, being at city this week. Rev. Lewis pastor of the First Baptist is also attending the convention.

Three car loads of Maryville persons left this morning for Sioux City, Ia., to attend the automobile races there tomorrow.

John Sewell motored with his family to Omaha, where they will visit relatives. Mr. Sewell will go on to Sioux City. Kyle Phares, Dr. E. C. Braniger, Carl Murray and Leo Atherton in the Phares car, and E. E. Williams, Dr. Frank Wallis and James Todd in the Williams car were the other parties who went to Sioux City.

P. O. ORDERS LIKE CHECKS.

They Are Now Payable At Any Postoffice Within Thirty Days of Issuance.

Under a new plan, effective July 1, a money order can be cashed at any postoffice in the United States if presented within thirty days after issuance. After that time it must be cashed at the office to which it is directed, as is done now.

For instance, if a mercantile company of this city sends its traveling salesman a money order for expenses, he will not be troubled any more if he misses the letter at the office on which the money order was bought. The letter will be forwarded after him and when he does get it he can take the money order to any postoffice where he can establish his identity and get his money. In that respect it becomes a traveler's check.

Also money orders can now be used by people going on journeys. A man might buy money orders payable to himself which he could cash at his convenience at various points on his journey.

W. N. Collins, superintendent of the money order division at the postoffice, expects the increase of money order sales as a result of the new plan to be about 5 per cent.

CITIES LAUGH AT ABNER JONES.

But Personal Gossip in Country Papers Is, After All, More News Than in Big Dailies.

The Grand Rapids News laughs at the custom in the past to poke much fun at the country newspapers for mentioning such important news items as the fact that Abner Jones has painted his barn; that Miss Angelica Botts has gone to the city to look at the spring millinery. Big papers have snorted loudly every time little papers have mentioned the fact that a meeting of the sewing circle was held at the home of Mrs. Lafe Perkins.

Yet one might pick up any New York paper and have a lot more fun reading the "real" news of the day as it is published. The other day Lord Decies, who was traveling in California, lost his handbag containing his comb and brush, and he was forced to use his wife's toilet articles. This intimate little family incident was telegraphed over the land and the big papers played it up on the first page. The other night Miss Eleanor Wilson, daughter of the president, went over to the theater without first having had her dinner. She sat in the shadow in the box and ate a bun. This was a big item of news and the big papers treated it as such.

When Arthur Jones painted his barn it meant more to him and his neighbors than the loss of a hundred combs and brushes; and when Mrs. Lafe Perkins entertained the sewing circle it meant more to her and to the community of Poker Center than all the theater parties Eleanor Wilson ever attended. The value of news depends entirely upon the point of view. The little community paper contains more real news of interest to its readers than do all the big newspapers in the country combined and rolled into one.—University Missourian.

952 CARS HERE

THAT WAS THE OFFICIAL NUMBER IN COUNTY JULY 1.

NODAWAY IN 5TH PLACE

Kansas City Men Comment On Quality and Number of Automobiles Seen On Maryville Streets.

Nodaway county is the fifth county in the state in number of automobiles, taking Kansas City as a part of Jackson county. If Jackson county is taken separate from Kansas City, then Nodaway is fourth. This county has 952 cars, according to the report of Secretary of State Roach, Wednesday, July 1. The average number of cars in the counties is about 250.

St. Louis county, with St. Louis; Jackson county, with Kansas City; Jasper county, with Joplin and Carthage, and Buchanan county, with St. Joseph, are the only ones ahead of Nodaway county and Maryville.

The sales of cars here have been rapidly increasing in the last two years, but probably it has not been realized that the county stood quite so near the head of the list. Maryville itself has a large number of cars, but it is the farmers of the county who have brought the number to such a high total.

Charles D. Tillo, a Kansas City business man, was in Maryville today and said: "Don't you know, I have seen more high class cars standing around the court house square here this morning than I've seen in any town of comparative size in the country."

Just the other evening a traveling salesman sitting in front of the Linville hotel remarked that he would rather cross the streets of Kansas City than to cross the business streets of Maryville on a busy day or any evening. Few streets there, he said, were more crowded with cars than those here, and at the crowded corners in Kansas City there was the protection of the traffic policeman.

Secretary Roach's report showing the condition of the automobile business in the state up until July 1 gives the following facts:

This year he has registered 46,143 automobiles, 2,920 motorcycles, and has issued licenses to 5,295 chauffeurs and 849 automobile dealers.

St. Louis leads with 10,680 automobiles, Kansas City, exclusive of Jackson county, has 5,797, with 776 in the rural district of the county.

The counties having the largest number of machines are Jasper, with 1,465; Buchanan, 1,331, and St. Louis county, with 1,306. Four counties, Carter, Douglas, Ozark and Reynolds, have no automobiles registered.

Two each are registered from Shannon and Taney counties, four from Camden and seven from Iron.

The total amount of money collected from this source to date and converted into the good roads fund is \$201,866.50.

Among the licensed chauffeurs are two men over 70 years of age. One of these is William J. Beal, 71 years old, of Fillmore, Andrew county, and William J. Duncan, 72, of Livonia, Putnam county.

Until very recently the number of machines in St. Louis and Kansas City have been practically 50 per cent of the registrations. The registrations for 1914 indicate that a great majority of the new automobiles in Missouri this year are going to the smaller towns and cities and to the farmers.

Shackelfords to Tarkio.

Mr. and Mrs. Alfred Shackelford and daughter, Cleo, and their guest, Miss Velma Smith of Kansas City, will motor to Tarkio Saturday to spend the day. Misses Shackelford and Smith will remain at Tarkio for a week's visit with friends.

WHITEFORD TALKS

TELLS NORMAL STUDENTS THEY MUST KNOW PEOPLE.

"LET CHILDREN LAUGH"

St. Joseph Superintendent Discusses Some Things Necessary to the Successful Teacher.

"To teach successfully," said Superintendent J. A. Whiteford of the St. Joseph public schools, "you must know people."

Then he went on to say that many things are requisite to good teaching, among them scholarship. The imminent danger of scholarship, however, is that the educational side of the profession is very easily overdone, and when that phase is unduly emphasized our worst type of teaching results. The essential thing, after all, is the power to "know" people and to know, feel and think with the boys and girls to be taught.

"The fact must be emphasized," said Mr. Whiteford, "that the teacher's work is not entirely in the school room. She must take a prominent part in the social side of the community in which she lives, and as far as possible become intimate with the lives of the pupils whom she teaches."

He further said that the intonation of the voice in the class room was a factor which is not to be overlooked, as each pupil is a separate problem and must be treated accordingly. The kind of language used by the teacher is another factor, the importance of which could hardly be overestimated.

"Do not restrict the wholesome fun of the children," he added. "Let them laugh frequently, and make the school room as much of a social center as possible. Keep in mind, too, that the right sort of story telling has a great influence on the children."

"These things, if kept in mind, will not only raise you in your profession but will also raise the profession to the high plane where ideally it should be."

FOURTH OF JULY PROGRAMS.

Maryville Men Will Speak at Conception Junction, Parnell and Clearmont Tomorrow.

Most of the program for the Fourth of July celebration at Conception Junction will take place in the afternoon and evening. There will be an automobile parade in the morning. The Maryville band will furnish the music for the day. In the afternoon John Dawson and Ellis G. Cook of Maryville and Dan R. Baker of Skidmore will make speeches. There will also be a game of ball between Conception Junction and Guilford. In the evening there will be races, music, a wrestling and a boxing match.

In the morning Mr. Cook and Mr. Baker will deliver addresses at the Parnell celebration. The afternoon program at Parnell will be given over largely to a patriotic service, music, readings and an address by the Rev. W. E. Tinney. There will be amusements later in the day, and the evening program will consist of a band concert and free motion pictures.

The Clearmont celebration will begin at 9 a. m. A parade to the grounds, band concert and address by the Rev. N. E. Bottom will take up the morning. At 1:30 o'clock W. A. Blagg of Maryville will deliver an address, and the rest of the afternoon will be given over to horse races, a base ball game, drills and concerts. A fireworks display will make up the evening program.

Marriage Licenses.

Marriage licenses were granted today to Roy E. Deshazer of Bonilla, S. D., and Edna Vera King of Shaw, Kan., and to Glen D. Eckles of Graham and Mary M. Blazer of Maitland. In the latter case Miss Blazer is under age and her father gave his consent.

To Visit the Garrett Family.

D. T. Foster of Agency, Ia., arrived in Maryville Friday to visit his daughter, Mrs. Oliver Garrett, and family.

No Paper July 4th.
There will be no edition of the Democrat-Forum on July 4, and the office will be closed during the day.

C. E. SERVICE NEXT WEEK.

Sunrise Meetings to Be Held Monday, Wednesday and Saturday.

The Christian Endeavor society of the First Christian church has inaugurated a "loyalty meet," to be held the coming week. This special effort to create new interest is arranged for the reason that the society expects to take an August vacation and wishes the July meetings to be extra fine.

Monday morning the meeting will be held at 6 o'clock with Ed Gray leader. The subject will be "The Message of the Manger," from the text "There is born to you a Savior."

Wednesday morning a sunrise service at 6 o'clock will be led by Miss Myrtle McPherson, on the subject, "The Challenge of the Cross," from the text "Christ died for our sins."

On Saturday morning at 6 o'clock the leader will be the pastor, Rev. Robert L. Finch, and the subject will be "The Victory of the Open Tomb," from the text "He is risen." Each of these services will be about thirty minutes duration.

CITY TO BE QUIET

CELEBRATORS ARE LEAVING FOR OTHER TOWNS.

LEAGUE SEASON OPENS

Brotherhood Will Play Normal—Pirates vs. Company F at Normal Grounds Tomorrow Afternoon.

Maryville will open her city league base ball season at the Normal grounds tomorrow afternoon with a double header between the Brotherhood and the Normal, the Pirates and Company F. Otherwise the city will have nothing in the way of a Fourth of July celebration.

The persons who want to attend a celebration are going to the different towns nearby, where the day is to be observed. Those who remain in Maryville are, for the most part, going to rest. A few picnic lunches and the ball game will be the only activities. Some of the business houses are going to remain open for the accommodation of persons who may want to trade, but most of them will be closed, as will all the county and city offices.

The ball games will be looked forward to with much interest by many persons, as their outcome will have much to do with the success of the season. The organizers of the league have had some trouble in getting it started, but believe that they can now give the city a better class of ball than it has had for some time. In order to even up the teams so that the games will be closer and more interesting, some of the Normal players are being used to strengthen the Brotherhood team. The first game tomorrow will be between the Normal and Brotherhood and will be followed immediately by the Company F-Pirate game.

The probable line-up of the teams for tomorrow's games will be:

Brotherhood—Miller, c.; James, p.; Eek, ss.; Emmett Scott, 1b; W. Miller, 2b; Wray, 3b; Paul Wilson, Crawford, Gray, Vandersloot and Keeler, fielders.

Normal—Dyer, c.; Vaughn, p.; Campbell, 3b; Hosman, r. f.; Breit, c. f.; Webb, ss.; Allison, 1b; Powell, 1 f.; Lewis, Judy and Gillis, utility men.

Company F—Wogan, c.; Richards, p.; Risser, 1b; Mayes, 2b; Still, 3b; Keegin, ss.; Conklin, Bramble, Skinner and Ewing, outfielders.

Pirates—Wiles, c.; V. Conley, p.; Tilson, 1b; Bluell, 2b; Homer Scott, ss.; F. Conley, 3b; Miller, 1 f.; Crawford, c. f.; Woodward, r. f.

DR. MILLER TO NATIONAL MEET.

Will Represent State Examining Board at Rochester Convention.

Dr. Jesse Miller will leave Friday night for Rochester, N. Y., to attend the annual meeting of the National Dental association.

Dr. Miller is a member of the Missouri state board of dental examiners and goes as a state delegate.

Will of T. G. Freeman Probated.

The will of the late T. G. Freeman was probated today. He left his entire real and personal property to his wife, who was appointed executrix of the estate.

To Spend Saturday at Conception.

Miss Maude Sheldon will spend the Fourth at Conception, the guest of Miss Elizabeth Simonele.

"OUTSIDERS" and OURSELVES.

Maryville threatens to do away with the band concerts if the visitors do not "keep off the grass" in the court house yard. Maryville does not kick on the "outsiders" helping pay for a rest room for that town but they want them to keep off the grass when they visit "their city cousins."—Hopkins Journal.

The Journal has taken the wrong attitude in this matter. Maryville is not kicking against the "outsiders"—whom Maryville regards as Nodaway people and consequently home people—any more than she is against the residents of Maryville. The only reason that an order was made keeping people off the grass is that it is all new sod and has not become firmly rooted. It is to give the grass a chance that persons are asked to keep off it, Maryville citizens as much as anybody else. In fact, a former mayor of Maryville was ordered off the grass the other day in the presence of several men. He was standing about six inches away from the sidewalk talking to some men who were sitting on one of the iron benches, when an officer saw him and told him he must get back on the walk.

Like the court yard, the rest rooms belong to the county as a whole, and not to Maryville. Maryville people and "outsiders" are helping to pay for both. The clubwomen of Maryville are bearing a large part of the expense of the rest rooms.

If there is any difference in the use of the two things it is this: Maryville people get more use out of the court yard than the other people of the county do, but the rest rooms will be used almost entirely by "outsiders." That is who they are being built for, for the Maryville people can go to their homes if they want to rest.

Rebekah Lodge Meeting.

At the regular meeting of the Rebekah lodge Friday night there will be installation of officers for the ensuing six months. After the installation refreshments will be served and a good attendance is desired.

In Honor of Mrs. Alexander.

Mrs. Rodney F. Hamblen has issued invitations to guests for Wednesday afternoon, July 3, at the Elks' club, to meet Mrs. Blake Alexander of Bushnell, Ill. One hundred and seventy-five guests have been bidden.

Mrs. Lucas Entertains Club.

Mrs. George Lucas was hostess Thursday afternoon to the Needle and Thimble club, whose members were very pleasantly entertained at her home. The hours were spent informally and a delicious lunch was served by Mrs. Lucas, assisted by her daughter, Alma. Mrs. M. J. Wilson, a sister of the hostess, was a complimentary guest.

Picnic Luncheon For St. Joseph Guests.

Mr. and Mrs. J. W. Peterson and daughters, Ethel and Mildred, and son, Harold, of St. Joseph, will be the guests of Mr. and Mrs. S. G. Gilliam Saturday, and in honor of their guests and Dr. and Mrs. Cronkite and family of St. Joseph, who are to be the guests of Mr. and Mrs. C. C. Corwin, a picnic luncheon at Normal park has been arranged for Saturday.

Three Ms Entertained.

The M. M. M. club was pleasantly entertained Wednesday afternoon by Mrs. M. A. Nicholas, at her home, north of the city. The entertainment of the afternoon was suggestive of July Fourth, and roll call was answered with patriotic stories. National hymns were sung by the members and Miss Mildred Nicholas gave some delightful piano numbers. In serving luncheon, Mrs. Nicholas was assisted by her daughters, Besse and Mildred. Those present were Mrs. M. E. Farrar, Mrs. W. T. Ramsay, Mrs. C. J. Eckert, Mrs. W. O. Garrett, Mrs. George Stafford, Misses Mae and Eva Farrar and Mrs. Nicholas and daughters.

Charming Musical by St. Joseph Girl.

Mr. and Mrs. E. L. Ferritor entertained a few guests at a musical Thursday evening who were invited to meet their niece, Miss Martha McIntyre of St. Joseph, a singer of great ability, who gave the program. Miss McIntyre is soloist at the First Baptist church of St. Joseph, and is busily engaged with her studies preparatory to a study abroad with a view to a grand opera career. Miss McIntyre has a brilliant voice, and the guests of Thursday evening were given a rare treat in the music. Among the out-of-town guests were Miss Nina Merrigan, Miss Mabel Merrigan and Roy Cousins of Conception and Mrs. A. C. Hallam of Dallas, Texas.

Society Enjoys Meeting.

The July meeting of the Women's Foreign Missionary society of the First Methodist church held Thursday afternoon at the home of Mrs. C. C. Corwin, was one of unusual interest. Miss Kate Moss of Kansas City, a returned Missionary worker from Bulgaria, made an address which was very much enjoyed and appreciated by the society. The session was presided over by Mrs. O. C. Hanna, president. The devotions were conducted by Mrs. A. Kern, and the mystery box was in charge of the pastor, Rev. Gilbert S. Cox. Following the program, refreshments were served by the hostesses of the afternoon, Mrs. Corwin, Mrs. J. T. Llaville, Mrs. Katherine Miller, Mrs. C. F. Remus and Mrs. J. L. Lorraine. The annual picnic of the society will be

Smart Reception For Mrs. Coe.

Mrs. Anderson Craig received from 2 to 5 o'clock Thursday afternoon, the guests being asked to meet her daughter, Mrs. Curtis Hammond Coe, Evening Rest, the Craig home, at the end of East Lawn avenue, was ablaze with brilliant color, flags, and red, white and blue being used to give expression to the spirit of the season. Receiving with Mrs. Craig and the guest of honor were Mrs. Edward Grimm of Tarkio, Mrs. Ray Curtis of Billings, Mont., and Miss Inez Gray of Tarkio, who were house guests of the Craigs. An immense flag was draped at the entrance, where the guests were greeted by little Miss Mary Edna Coe and Master Curtis Craig Coe, the young children of Dr. and Mrs. Coe. The spacious veranda and all the rooms of the home were adorned with flags and tri-colored bunting with summer garden flowers to give fragrance. Punch was served from a table draped with flags, and in the dining room the decorative colors were used with charming effect. The table was centered with a tall cut glass vase holding a huge cluster of red and white carnations. The menu appointments were entirely carried out in red, white and blue. A victrola program, given during the receiving hours, added to the pleasure of the afternoon. The assisting friends were Mrs. Galtain Craig, Mrs. J. R. Brink, Mrs. T. L. Wilderman, Mrs. M. G. Tate, Mrs. George B. Baker, Mrs. H. L. Rahms, Mrs. Ray Smith, Mrs. Joseph Brown of Kansas City, Mrs. Per-

Mrs. Neverthrough Learns a Lesson

Mrs. Neverthrough—"Mercy! My fire's nearly out. Just come in, Anty Drudge. Sit down, and excuse me for a minute while I run down and get some coal. It seems to me that I can't keep enough coal upstairs, the fire needs so much on washdays. I'm tired with running up and down."

Anty Drudge—"Dear me! I wonder how many women there are like you, wearing out their lives doing unnecessary things? You don't need coal for a hot fire if you wash with Fels-Naptha Soap. Try it and see how much easier washdays will be after this."

do half the heavy work that many of them are doing. There is no necessity for doing it, either.

For instance, on washday there is no need to stand all day long over a steaming tubful of wet clothes, rubbing out the dirt on a washboard, or lifting a heavy boiler to and from the stove. Instead, put the clothes to soak in cool water with Fels-Naptha Soap. After they have soaked a while rub them lightly. The dirt will roll out.

Fels-Naptha Soap takes out stains of all kinds. It dissolves grease, and brightens up everything. Works best in cool or lukewarm water.

SPECIAL SUNDAY NIGHT PROGRAM

Epworth League Will Hold Unusual Service and Debate Sunday Night. Sunday night at 7 o'clock the Epworth League of the First Methodist church will hold an unusually interesting service, and an added novelty will be a debate on the question, "Resolved, that past memories are more inspiring than future possibilities."

This question is based on the general subject of the hour, "Memorial Stones—National and Individual." The affirmative of the question will be taken by Virgil Hartness and James Carpenter and the negative by Jesse Strader and Miss Nellie Wray. The leader of the meeting will be Clinton White, and other interesting program numbers will be given.

FRECKLE-FACE

Sun and Wind Bring Out Ugly Spots—How to Remove Easily.

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

Mrs. A. L. Partin of Indianapolis, Ind., is here for a six weeks visit with her brother, Levi Smith, and other relatives in the county.

WEALTH OF HAIR

Parisian Sage Makes Thin, Lifeless Hair Soft and Abundant.

Beautiful hair, thick, soft, fluffy, lustrous, and free from dandruff, is one of woman's greatest charms, yet so many have streaked, thin and lifeless hair and think there is no remedy. Pretty hair is largely a matter of care. Frequent applications of Parisian Sage well rubbed into the scalp is all that is needed—it acts like magic. Try it tonight—you will really be surprised with the result. Not only will the hair become soft, fluffy, radiant with life and really doubly beautiful, but all dandruff disappears, falling hair and itching scalp cease—your head feels fine.

All druggists sell a large bottle of Parisian Sage for fifty cents. Get it from T. J. Parle. He will refund the money if you are not satisfied.

OUR PLACE AMONG NATIONS.

Statistical Abstract For 1913 Gives Birdseye View of World Conditions.

In the basic elements of economic progress the United States ranks high among the nations of the world, being one of the five countries only which have an area in excess of three million square miles, and the only nation of the western world (except Russia) having a population of over one hundred million. In the interchange of products among its own people it leads the world, its home trade at the present time being estimated at nearly forty billion dollars, or equal to the international exchanges of the world and approximately ten times the value of our own foreign trade now valued at four billion dollars.

That our present foreign trade is far short of the immediate possibilities of the nation is evident from a consideration of its area, commerce, and other economic factors in comparison with that of other leading countries, as set forth in comparative tables published in the "Statistical Abstract of the United States, 1913," compiled by the bureau of foreign and domestic commerce, department of commerce. Thus the present export trade of the United States (two and a half billion dollars) represents about \$25 per capita. A per capita basis equal to that of Argentina would raise the export power of the United States to five billion dollars; and one equal to that of Belgium would bring its exports to ten billion dollars a year; while our aggregate foreign trade, when upon a per capita basis as large as that of Canada would be considerably over thirteen billion dollars a year.

Other comparative tables in the "Statistical Abstract" further emphasize the commercial power of the United States and its strong international position. In railway mileage, for example, we possess one-third of the world's total, our 258,000 miles being ten times as much as the mileage of the United States and six times that of Germany. One company alone has 238,000 miles of telegraph lines, or double the total in Russia, next in order. More than one-third of the world's mail service is performed upon routes located in the United States, while our public debt of one billion dollars is smaller than that of Italy, Austria-Hungary, Spain, Germany, Australia, Japan, British India, or Great Britain, and is less than one-sixth that of France, and one-fourth that of Russia.

Temporary recessions have frequently marked the course of American commerce, but the tendency, according to historical tables published in the "Statistical Abstract," is ever higher. In eleven years, from 1890 to 1901, our foreign trade grew from one and a half billion to two and one-quarter billion dollars, an increase of 50 per cent, while in the eleven years from 1902 to 1913 it increased from two and one-quarter to four and one-quarter billion dollars, a gain of 90 per cent.

The foundations of this growth are laid deep in the soil and natural resources of our country and in the character of our people. Thus the American Union, from thirteen states having 325,000 square miles and one million people, has expanded to forty-eight states and the territories of Alaska, Porto Rico and Hawaii, with an area of two and 3,666,666 square miles and 100,000,000 people. In the period since 1870 the value of our farm products has risen from two billion to about ten billion dollars a year; the output of coal from less than thirty to nearly five hundred million long tons; copper from twelve and one-half thousand to over one-half million tons; pig iron from two to thirty-one million tons; petroleum from two hundred and twenty-one million to nine and one-quarter billion gallons, and manufactures from four billion to over twenty billion dollars.

Data relating to education, labor, finance, prices and other facts affecting the economic life of the people are also contained in the "Statistical Abstract of the United States, 1913," which may be procured from the superintendent of documents, government printing office, Washington, D. C., for 50 cents a copy.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
